VACATION CARE

Please be aware that on excursion day's (underlined on program page) can we please have all children that are booked in to attend arriving at the centre by no later than 9am due to travelling times to get to excursions. This makes it a lot easier for staff to organise bus groups and to make sure children have all that they need for the excursion. Staff and children will leave the centre no later than 10am depending on the travelling time to get to the excursion and will return to the centre by no later than 3.00pm

As we have had some issues with hand help computer games (DS PSP etc) we kindly ask that these holidays we have NO handheld computer games brought into the centre. If children do bring them, staff will put them into the locked cupboard until child is collected at the end of the day.

On the last day of vacation care TUESDAY 24TH APRIL and MONDAY 23RD APRIL children will be permitted to bring and play their hand held games but only on this day will that be accepted.

On all excursions can you please make sure your child brings a hat and a drink bottle. We follow a NO HAT NO PLAY policy. Also due to our centre policies, all children must wear correct clothing and footwear which means no singlets (tops that do not cover the shoulders) and closed in footwear.

All Fees must be paid one week in advance to confirm your child's bookings. Excursion fees are to be paid in advance in to the office before children can attend the excursions.

Thank you
